Groups of two to various American universities where State Department, some one hundred and twenty men, thus:ast David Dichter. With the assistance of the conceived and managed by an ex-marine track coach Montgomery with Rim Dong-shil (left) and Chung Kyo-mo. When not training or in competition, he works for Sports International Inc., a non-profit organization as part of an athletic exchange program sponsored by Chung Kyo-mo (right). The two were brought to America host to two athletes from Korea, Rim Dong-shil and May) the Cornell track team had the honor to play approximately ten weeks (mid-March through the end of March) to a single team, and quite naturally a great deal of national prestige rides on this competition. It is very important, then, that both Rim and Chung take home enough track knowledge to enable South Korea to gain a majority of team positions. Both of these young men feel this need very keenly, and hence work very hard under this added pressure. Chung recorded a 4:17.0 mile in the Colgate meet, close on the heels of Cornell's miler, Steve Machooka. It is sad to relate that Chung was not allowed to compete as a non-counting guest on no fewer than three occasions, the Penn Relays, the outdoor Heptagonals, and the ICAAAA Championships, and Rim was refused entrance in one meet, the Ithaca competition. It is somewhat hard to believe that after the State Department had extended its financial support and sponsorship in an attempt to help these foreign athletes and to introduce them to America, committee men for these meets would refuse them as non-counting competitors. It is understandable that Chung could have possibly crowded a counting competitor in a 1/2 mile race. For Rim, however, there is no explanation.

At Cornell Rim and Chung were jointly sponsored by the Spiked Shoe Society and Phi Sigma Kappa, Captain Potter's fraternity. Phi Sig supplied room and board, while the Spiked Shoe contributed $115 to help defray the cost of meals for the two and a half month period. All members of the Spiked Shoe felt that to do so would constitute a very worthwhile project. This sponsorship, however, leaves the treasury of the society at an uncomfortably low level. To insure publication of next Fall's issue, the society members would like to ask track alumni to donate $2 to this special project. We are certain that you will feel that the project was as valuable as we did. In the last week of May, Rim interviewed with the Director of Graduate School Admissions and looks forward to returning to Cornell for graduate study following the 1964 Olympic Games, at which time, he informs us, he will introduce us to his bride. For Rim the world converges in 1964 at Tokyo, and he talks as if his life until then belongs to track, and after that date to him. Athletes around the world are not much different in that respect.

CORNELL TRACK BANQUET 1963

Shorty Lawrence Award: (most improved field event man)—Tom Gage.

C. F. Morse Award: (most improved runner)—Fran Smith.

Jinky Crozier Award: (440 man who did most with least ability)—Ron Madaras.

Everett Colyer: (the team's outstanding vaulter)—Bruce Hoffman.

James Rothschild Award: (class mile relay champions—junior team of: Fran Smith, Ron Madaras, Fred Engstrom, and Pete Kuck.

C. H. Moore Awards: (team's outstanding sprinter)—Bryan Westfield; (team's outstanding middle distance man)—Fran Smith; (team's outstanding distance runner)—Jim Byard.

Coach Montgomery, Spiked Shoe Award: (varsity man scoring most points during his career)—Bob Potter.

Robert J. Kane, Sportsmanship Award: (senior voted by his teammates as the man who displayed the most sportsmanship)—Bob Potter.

Gatling Award: (to the senior who has done the most for Cornell track)—Bob Potter.

Team Captain for 1964 ....................... Fran Smith
Team Manager for 1964 ...................... Doug Smith
Assistant Managers ............................ Fred Haft and Arno Spatola
President of Spiked Shoe for 1964 ........ Bruce Hoffman
Secretary of Spiked Shoe ..................... Bill Brockman
Treasurer of Spiked Shoe ...................... Tom Morrow
Editor of the "Wastebasket" .................. Bill Brechm

TODAY'S FRESHMEN - TOMORROW'S VARSITY

The freshman track team was extremely successful and promises to provide the Big Red Varsity with several outstanding individuals. Tom Miller set freshman records in both the 35# weight throw and the hammer, ranking in both events among the top freshmen in the country.

In the longer races, Cornell can look forward to a fine crew of runners. Roger Ingraham displayed his versatility by turning in a 5:08 second relay quarter and a 4:25.1 mile. In the two mile both Jim Straub and Lynn Cunningham broke ten minutes with times of 9:47.0 and 9:50.0 respectively.

In the sprints Rich Englesteen proved to be top man, followed by Richard Berger, who also, up until his injury in the Penn Relays, participated in the 330 intermediate hurdles as well as running the anchor leg on the mile relay team. During the indoor season, Larry Matura comprised almost an entire team, pacing in the hurdles, sprints, broad jump, high jump, and relay. Due to academic difficulty, he was unable to participate in the spring. Pat Mulcahey, Glen Ewing and Rich Poduska provide promise in the pole vault. Coupled with the present varsity which will remain virtually intact for next year, the freshmen should do well in varsity competition.
THE INDOOR SEASON

The entire year may be considered a success for one simple reason; only one man who scored in competition during the year will be leaving, Captain Bob Potter. The team otherwise will be perfectly intact, and what was a better than average team this year should be a superb squad in 1963-64.

Opening on January 12 against Dartmouth in Barton Hall, the untried Red emerged victorious by a score of 64 to 45. Strong points for Coach Montgomery's squad proved to be the distances where Jim Sims and Jim Byard, both juniors won the mile in that order, and then came back to win the two mile in reverse order. Bryan Westfield, returning from a season of varsity football, teamed up with teammate Bruce Hoffman to take first and second in the high hurdles. Fran Smith gave a hint of what was to come in the Yale and Indoor AAU and ICAAAt meets as he took the 600 with a 1:11.7 timing. Sophomore Sogba Bosu of Nigeria broad jumped 22' 3 1/2" to take a second, and Bruce Hoffman and Bob Potter took first and second in the pole vault. The two mile relay team of Brockman, Brehm, Smith, and Engstrom added the final points with a 7:58.5 win, leaving the final score at Cornell 43, Yale 66.

Next to the Red in the Heptagonal scoring was Army. Finishing five in team standings with 14 points, the Red placed in only four events: Fran Smith, making use of the fast indoor cinder track, broke Charley Moore's thirteen year old 600 yard record of 1:11.2 by covering the distance in 1:10.7. Yale's outstanding 600 meter runner, Wendell Mottley, did not compete in the 600 meters, but instead ran the 60 yard dash which he won in a close race with Bryan Westfield of Cornell, both being timed in 6.5. Westfield then tied the Cornell indoor hurdle record in 7.7 heat, but lost to Flippin of Yale and teammate Bruce Hoffman in the final. Junior cross-country captain Jim Byard set a new Cornell indoor two mile record as he won his race with 9:24.7, bettering the 9:32.0 set by Albert Ranney in 1932. Sophomore Sogba Bosu of Nigeria broad jumped 22' 3 1/2" to take a second, and Bruce Hoffman and Bob Potter took first and second in the pole vault. The two mile relay team of Brockman, Brehm, Smith, and Engstrom added the final points with a 7:58.5 win, leaving the final score at Cornell 43, Yale 66.

The Indoor Heptagonals were disappointing for Cornell. Finishing five in team standings with 14 points, the Red placed in only four events: Fran Smith won the 1000 with 2:15.4, sophomore Gage took 4th in the shot with 51' 73/4", Jim Byard took a third in the two miles with 9:33.0 and the two mile relay team of Brockman, Brehm, Smith, and Machooka, who had only recently returned to active competition, managed a third in 7:57.0. Captain Potter, who had cleared 14' twice earlier in indoor meets, had a major disagreement with his fibre glass pole and failed to clear 13', while Bruce Hoffman despite his 6'4" clearance in the Army meet failed to place in the high jump, which, incidentally, was won at that height. Awori of Harvard won four first places to set a Heptagonal first. His marks and times for the evening were 7.4 for the high hurdles (he did not clear a single hurdle), a 6.1 for the 60 yard dash (removing the Barton
Hall record of George Ekstrom ‘61—6.2 seconds), a 23’ 4¼” broad jump, and a leg on the winning mile relay team. Pretty impressive!

In the Indoor ICAAAA Championships, Fran Smith broke his own record set at Yale as he took second in the 600 yard run with 1:10.5. Fran was not able to beat Yale start Wendell Mottley who had not run against him at New Haven. Jim Byard broke his own indoor two mile record with a 9:23.6 clocking. Fran Smith again went on a record breaking outing, as he surpassed the 1000 yard record of Hall record of George Ekstrom ‘61—6.2 seconds), a

second in the 600 yard run with 1:10.5. Fran was not
view of the fact that all of the above are juniors, it was certainly a promising indoor season.

THE OUTDOOR SEASON

For the first time in a number of years the Cornell track team did not go South for Spring Vacation. Whether the week long rest benefitted the team is difficult to determine. At any rate after the two months of preparation for the indoor season, the three months of the indoor season, and the prospect of the oncoming outdoor season, a week's rest was welcome.

Opening on April 20 on a chilly, windy Saturday afternoon, Cornell defeated Colgate 87 to 62. The outstanding performance of the afternoon was unquestionably that of sophomore Tom Gage who twice in the course of the shot put broke the all time Cornell record, setting a new mark of 55’ 4¼”. As if not satisfied with that first place, Tom went on to win the hammer throw with 172’ 11¼”, and take a second in the discus. Fran Smith brought home double victories in the 440 with a 49.9 and in the 880 with a 1:53.4. The latter time is a new meet record, surpassing Smith's own meet record set last year of 1:53.6. Sam Amukun, Colgate's fast African sprinter, won both the 100 and the 220 with times of 10.4 and 23.0 respectively. Needless to say, the wind and soft track ruined any chances for new field records in these two events. Junior Steve Machooka turned in a good 4:20.9 mile win, while Jim Byard took the two mile with 9:54.4. The team of Madaras, Westfield, Machooka, and Smith took the mile relay, the last lap seeing Fran easily outdistance Colgate's Amukun in the quarter mile distance. Bryan Westfield set a meet record in the rarely run 330 yard intermediate hurdles with a clocking of 39.9, while Sogba Bosu broad jumped to a first place of 22’ 2½” and triple jumped to a meet record of 44’ 10½”, also good for a first. Bruce Hoffman back in high jumping form won a first with 6’ 4”, which matched his indoor jump of the same height in the Army meet.

On April 26 and 27, a small contingent of Cornellians traveled to the Penn Relays. The sprint medley relay team of Westfield, Madaras, Rosen, and Smith won the college division of that event with a 3:29.0 time. Gage won the college division of the hammer with a throw of 170’, but was unable to place in the shot put.

Journeying a second time to Philadelphia, the Cornell squad upset Pennsylvania 82 to 66 on May 4 in beautiful running weather. Machooka and Byard supplied the distance strength, the former winning the mile in 4:18.4 and the latter right behind in 4:20.3. Byard then returned to win the two mile in 9:47.4. Fran Smith again won double first with a 50.1 in the 440 and a 1:56.5 in the half mile. Junior Ron Madaras, a fast improving quarter miler, took second in the quarter close on Smith's heels with a 50.2, and then returned to lead off the mile relay team with a 3:19.5 win with Westfield, Engstrom, and Smith. Bruce Hoffman turned in his best hurdle time of the year with a 15.3, finishing second behind Pennsylvania's Ken Reynard, who went on to win the Heptagonal 440 yard hurdle crown at Princeton. Reynard defeated Cornell's Bryan Westfield in the 440 yard hurdles, the first place time being 54.3 and the second 55.6. Tom Gage, with an ailing right wrist, won the hammer and shot, but managed only 47’ 8” in the latter event.

The Heptagonal Meet might as well have been held outdoors in Ithaca in February. The weather was cold, 47°F, and the track windswept. As in the indoor meet, Cornell placed fifth in time standings with 16 points, amassed primarily through the efforts of Fran Smith, who won the 880 with 1:55.5 and ran the anchor leg on the mile relay with Madaras, Engstrom, and Westfield, tying for first with Yale in 3:18.6. Bruce Hoffman took two fifth places with a 6’ 2” jump and a 14’ 0” pole vault. Tom Gage won a fourth in the shot with a 53’ 6” throw, and Jim Byard took fifth in the two mile with 9:27.5, his best outdoor clocking.

In the last dual meet of the year, Cornell was again plagued by bad weather, as the wet track and drizzling rain forced the pole vault, high jump, and broad jump into Bacon Cage. It is strange to see how a team which placed below Cornell in both Heptagonal meets can reverse the tables in a dual meet and come out on top. Princeton won 94 to 55: the present time would like to point out that this is quite an improvement over last year when Cornell lost in the same dual meet by 117 ½ to 51 ½. Shining for Cornell were Gage, who won the shot (52’ 6½”), the hammer (177’ 6”, his all time best), and the discus (143’ 5¼”), and Fran Smith who won the 440 in 48.9 despite the fact that one end of the track was submerged and anchored the mile relay team of Kuck, Madaras, and Engstrom to a 3:24.4 victory. Sogba Bosu set a new Cornell meet and field record with a first place in the triple jump of 45’ 3½”, and also contributed a second in the broad jump. Bruce Hoffman turned in seconds in the pole vault and high jump with 6’ and 13’ 6”. Rim Dong-shil, our Korean guest, broke Al Hall's field record of 1955 with a throw of 192’ 10½”. This mark is short of Rim's all time best of 203’ 1”.

Because the ICAAAA meet was a week after the beginning of finals, most of the team was either unable to compete because of tests or had already gone home. Thus only four men, Bosu, Smith, Gage, and Potter competed in the Randall's Island meet, and no one scored a place. The outlook for future track teams at Cornell is good, as only one scorer from the present team is leaving. With record holders in Bosu, Smith, Gage, and Byard, and good performances expected by Hoffman, Morrow (13’ 6” vaulter), and Westfield, the future looks bright.
CORNELL-DARTMOUTH TRACK MEET RESULTS
JANUARY 12, 1963, BARTON HALL, ITHACA

ONE MILE RUN:
1) Sims, James (C) 4:28.9
