

Tuesday -

You ARE a darling and unique

yes Diana, I do want to come
very very much indeed. To be away
from this place at least for a while, is
most important. I don't have a penny
but I have the car. So I shall have
to sell it. I also have my records and
the pick-up. so I'll find something. (If
I don't sell the records, shall I bring them?
- both classic and Edith Piaf's etc?)
I am also glad I am not coming
sick. So I shall go tomorrow and get
my visa, and if I have arranged the
fare money, I might be in London next
week -

all my love
Wagtail.
