RESIDENTIAL HALLS FOR MEN

The system of Residential Halls for men at Cornell University at present consists of Cascadilla Hall, at the south end of the campus, and four halls comprising Baker Court and Founders Hall situated on West Avenue. These latter buildings form the nucleus of the new group of dormitories lying to the west of the main Quadrangle and bounded by Stewart, University, and West Avenues.

Cascadilla Hall is a stone building, with an adequate system of fire escapes and automatic fire-alarms. It furnishes accommodations for about 170 men. It is divided into four sections, each with separate entrance and fire-proof stairways. The four new buildings are of fire-proof construction throughout and afford accommodations for about 250 men.

ROOMS

The accompanying diagrams show the location and relative sizes of the rooms. The average rent of a single room in Cascadilla Hall on a basis of 36 weeks is about \$148 for the year or \$4.10 a week. The average price in the new buildings is about \$162 or \$4.50 a week. A complete list of rooms and prices will be found on the last pages of this booklet.

FURNISHINGS

Rooms are furnished with rug, desk, chair, Morris chair, bent-wood chair, bureau, iron bedstead 3' x 6' 6", couch cover, curtains, bedding and bed linen. Bed linen is laundered by the University free of charge. All rooms are heated by steam and lighted by electricity.

GOVERNMENT

Students residing in the Residential Halls are governed by the rules appearing below and by the ordinary rules of the University. It is the intention of the authorities that the different units be self-governing and in so far as practicable the students are left to the management of their own affairs. The different buildings are in charge of overseers and the direct management of the dormitories is centered in the Manager of Residential Halls in Sage College. General assembly rooms are provided in the buildings for the use of the occupants.

DINING ROOMS

Dining rooms, with meals served on the cafeteria plan, are conducted by the University in Cascadilla Hall, in the Baker Mess Hall near Baker Court, in the Sibley Restaurant on the Quadrangle, and in the Home Economics Cafeteria on the Agricultural Quadrangle. Table board for a limited number of men may usually be secured at Sage and Prudence Kistley Halls.

RULES AND REGULATIONS

Any male student, in good standing in the University, who does not hold a position higher than that of Assistant in the instructing staff, is eligible to a room in the Residential Halls for men. Every occupant of a room is required to sign a lease in the following form:

"I, the undersigned, hereby lease from Cornell University for the college year, the room in Hall indicated below, at the rent stated, subject to terms on back hereof.

"The term of the lease is for the University year. Possession may be had on the Saturday preceding the first registration day of the year, and the rooms must be surrendered on the day following tenant's last examination in June, unless arrangements for holding over are made prior to June 1, at the Treasurer's Office.

"The rent is payable in four installments: they are September 1, November 15, February 1, and April 1. Failure to pay the first quarter's rent by September 1 will be regarded as a surrender of the lease.

"A student dropped from the University or leaving the University for reasons satisfactory to the Treasurer may be relieved from his lease. No room-mate shall be taken, nor the premises, or any part thereof, sublet, nor this lease assigned without the written consent of the Treasurer. Rooms are to be used only as living rooms in accordance with the rules of the University and in a manner that will not disturb the other occupants of the building. Gambling and the use of beer or other intoxicating liquors in the building are prohibited. No cooking is allowed in the rooms and no stoves and no gas or electric plates shall be installed.

"The University is to furnish artificial heat when necessary, but shall not be liable directly or indirectly for damages resulting from insufficiency of same. The University will furnish light and water, but any waste of same will be charged against the tenant. The University will furnish ordinary care for the room, including laundry of bed linen. The University may terminate the lease and take possession of the premises for violation of any provision of the lease, for non-payment of rent, for any disorder disturbing other tenants in the building, for the violation of any University rule, or whenever the rooms are vacated or the connection of the tenant with the University as a student is terminated. Damages by fire or water rendering the premises wholly unfit for occupancy and not repairable within 60 days shall terminate the lease. When premises cannot be used because of fire for less than 60 days, rent for such period shall not be collected. Premises are to be surrendered in as good condition as when taken, ordinary wear and tear excepted.

No application for rooms for the following academic year will be received prior to March 1.

If the lessee surrenders his lease to the Treasurer on or before September 1, the ten dollar deposit will be refunded. If the lease is surrendered after September 1 the deposit will be forfeited unless the room is subsequently rented for the year to another party.

No application will be considered that is not accompanied by the required deposit of ten dollars a man, to cover return of keys, damage to building or furniture, other than ordinary wear and tear, and to insure the completion of the lease. This deposit, less any charges against it, may be refunded upon the surrender of the room, subject to the conditions named below.

DEPOSITS

The telephone service in the Residential Halls is on the pay station plan. No charge is made for incoming calls, but outgoing messages are charged for.

Each tenant will be allowed to store one box or trunk, not exceeding 12 cubic feet in size, during the summer, if he has signed a lease for a room in the Residential Halls for the following academic year. A charge of twenty-five cents each a month will be made for all other trunks, boxes, etc., which may be left in the building upon the owner's vacating his room. All such articles are stored at the owner's risk and will be disposed of if not removed within six months.

Permission may be obtained for ladies to visit the rooms or buildings upon application to the housekeeper.

When two or more men are rooming together and one of them leaves for any cause whatsoever, the remaining party or parties may assume his lease, or the University may rent to another student. In case of an epidemic the University reserves the right to require rooms to be temporarily surrendered for infirmary purposes.

The right to occupy a room is not transferable and terminates with the expiration of the lease. A room may not be leased in the spring by the present occupant, held until fall, and transferred at that time to another, and any attempt to do so will be deemed a fraudulent transaction.

The University will, on request, furnish locks and keys for each room; but it is not to be held liable for any articles or property of tenants lost or stolen anywhere on the premises.

ASSIGNMENT OF ROOMS

If none of the rooms specifically applied for be available, assignment will be made from rooms similar in price and location.

In assigning rooms the following rules and preferences will be followed generally, but rooms will be assigned with a view to combining the pleasure of the occupants with the maintenance of order in the buildings, and the University retains the right to refuse to lease to one whose past tenancy has, in any way, been objectionable.

FOR MATRICULATED STUDENTS

1. On April 1, applications received prior thereto, from present tenants of the Halls, will be considered in order determined by lot, except that preference will be given to those applying for their present rooms.

2. An occupant of a double room, left without a room-mate, may name a new room-mate and his application will receive preference as above.

3. After April 20, a list of rooms then available will be posted at the Treasurer's office and applications will be received until and including May 10, and after that date assignments will be made in order determined by lot.

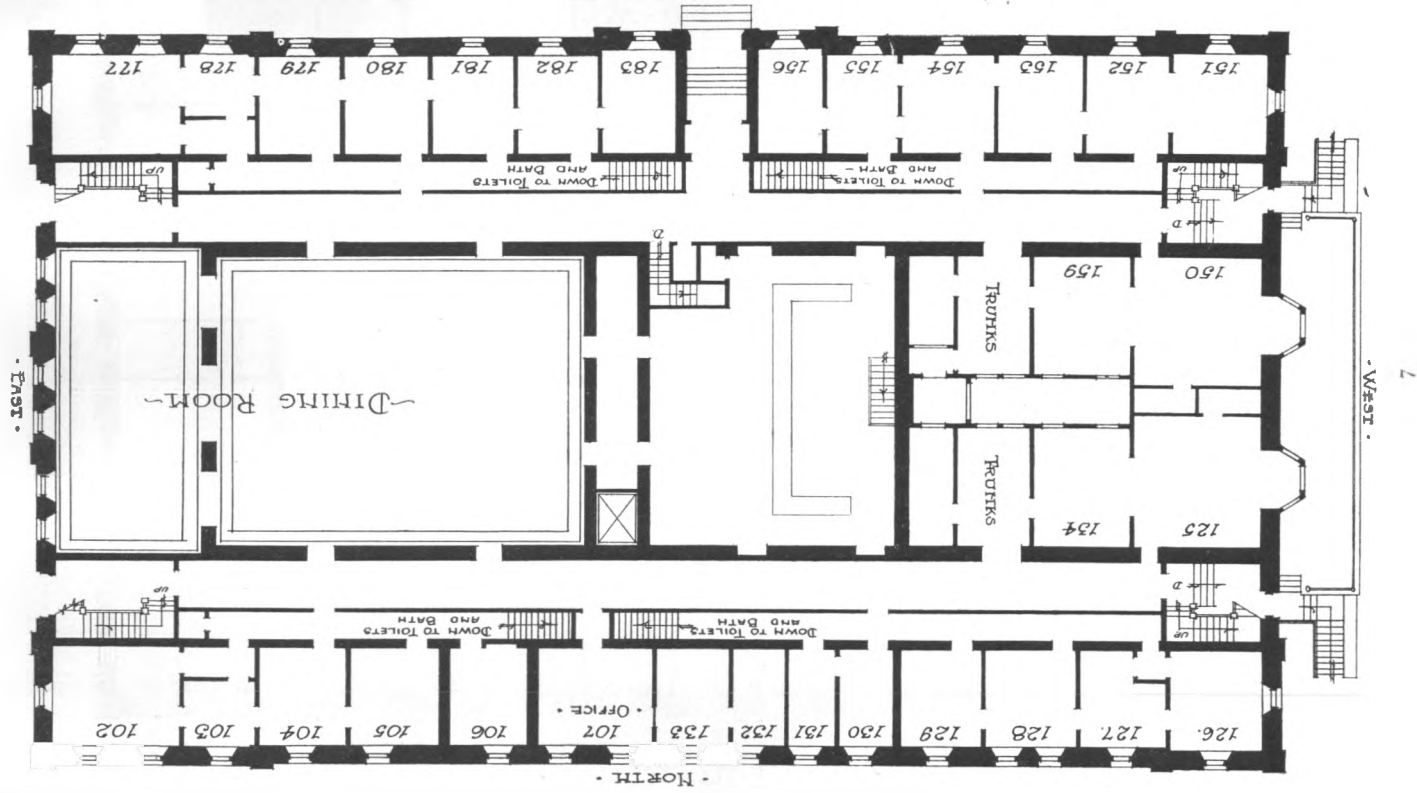

FOR ENTERING STUDENTS

4. After April 20, a limited number of rooms in each Hall will be set aside for entering students. Applications from those who have received from the Registrar a permit to register, will be considered on September 1 in order determined by lot and assignments made.

CANCELLATION

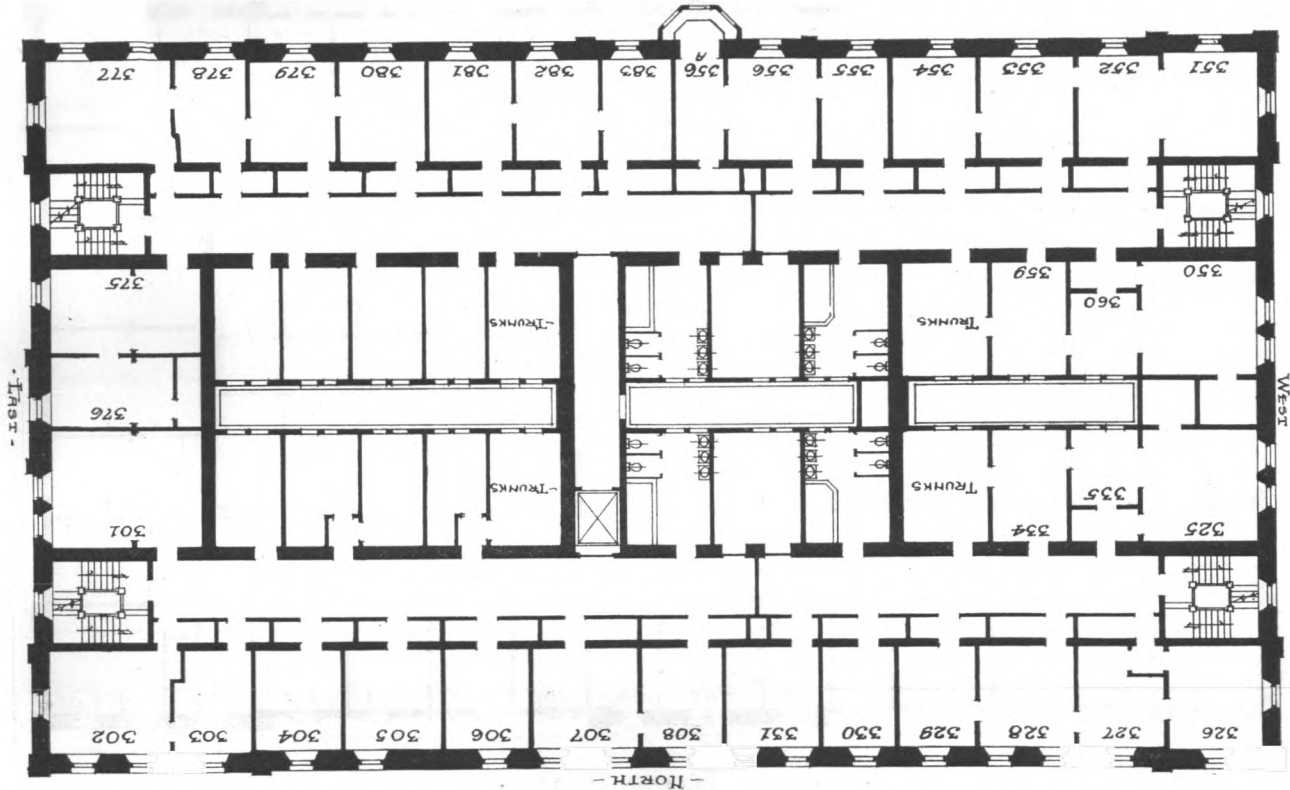

Notice of assignments will in all cases be sent out immediately, and failure to deliver a duly executed lease at the Treasurer's office within ten days will automatically cancel the reservation. If a room is not claimed by the first day of instruction and no notice has been received by the Treasurer, the reservation will be automatically cancelled and the room rented.
