*"Thirty days hath September,
April, June and November;
All the rest have thirty-one,
Excepting February alone,
And that has twenty-eight days clear
And twenty-nine in each leap year."*

FIRE SAFETY TIP

Firefighters and other emergency personnel can't help
you if they can't find you. When you report an
emergency, speak slowly and clearly and stay on the
line in case the dispatcher needs more information.

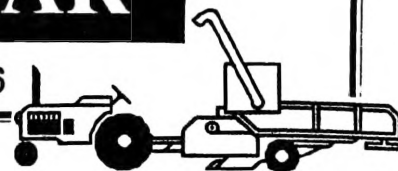

Fire wise advice from
Cornell University Life Safety Services.

A female client whose legal problems Clarence Darrow
had solved burred, "How can I ever show my appreciation,
Mr. Darrow?"

"Ever since the Phoenicians invented money," replied
Darrow, "there has been only one answer to that question."

PARKING-CORNELL CAMPUS

Today I was informed by Verne Alexander, Fleet Supervisor, Ithaca Fleet Garage, that we should limit our parking of Station Pool and Department Vehicles to the RED AREAS only. It seems that Traffic Bureau neglected to inform the Ithaca and Geneva Fleets of this limitation. N. Fawcett of the Finance & Business Office, Ithaca, is appealing this limitation. If there is a further change, we will be notified by Verne Alexander.
