### PRECAUTIONARY NOTE FOR MACINTOSH PLUS

If you plug a serial device (such as an Image Writer) into SCSI port on the back of Macintosh Plus, you will BLOW the Mother Board on the Macintosh Plus. There is nothing that will warn you that this will happen, so please be advised and pass the word. **DO NOT PLUG ANYTHING INTO THE SCSI PORT UNLESS IT IS AN SCSI DEVICE.**

### 1986 GENEVA UNITED WAY CAMPAIGN

The 1986 Geneva United Way Campaign at the Station will be conducted from March 18 to April 4. Our goal is to raise \$10,600 at the Station. I am requesting all employees to contribute as much as they can to the Campaign whose ultimate aim is to make Geneva a better place. With decreasing federal government support to community programs, United Way has become an important community responsibility. In Geneva, 12 agencies are supported by United Way including the Ontario Day Care Center, Association for Retarded Children-Ontario County Chapter, Geneva Senior Citizens Club, Mobile Meals, and the Salvation Army Corps. Further, United Way of Geneva is part of a network of health and social service agencies that stretches into six counties.

It is urged that contributions be increased as suggested in the Geneva Campaign brochure that each Station employee will receive along with a pledge card. Kindly return the pledge card with either a contribution or a pledge by April 4 to the appropriate individual listed below:

Buildings & Properties	Bernadette D'Amico
Entomology	Jan Nyrop
Food Science, 1st floor	Herb Cooley
Food Science, 2nd floor	Bonnie Carney
Germplasm Center & PI	Bill Sherring
Greenhouse & Grounds	Glenn McGuigan
Hedrick Hall	David Terry
IPM	Bonnie Belknap
Jordan Hall	Judy Birkett
Plant Pathology	Janice Valerio
Sturtevant Hall	Norm Weeden

Please feel free to contact me at X266 if you have any questions. I thank you for your help in this important endeavor.

Andy Rao

### **JOIN THE FUN**

Join the fun 6:30 pm, Saturday, March 29 at the 2nd Annual Station Club Bowling Party at Finger Lakes Bowl, Waterloo-Seneca Falls Road, Seneca Falls. ### FIRE SAFETY IN THE EVENT OF FIRE

- 1) If you detect fire or smoke, act quickly but coolly. Alert others by means of fire alarm system if there is one in your building. This will send a signal to the Heating Plant. Do not yell "FIRE" or scream -- this will only cause confusion and panic.
- 2) Notify the Geneva Fire Department by dialing 9-789-2121, giving exact information as to the location and, if possible, type of fire.
- 3) If call cannot be made pull alarm on pole on North Street in front of Hedrick Hall.
- 4) If the fire is still small, it may be controlled or extinguished by using the proper type fire extinguisher. In fighting any fire, large or small, never let yourself be trapped by its spreading or mushrooming and never take chances.
