

THE STATION CALENDAR

FOR THE WEEK OF MARCH 1, 1987

Calendar of Events FEBRUARY

Tuesday 24

8 am Cooperative Extension Meeting,
Auditorium, Jordan Hall
9:30 am Cooperative Extension Meeting,
Staff Room, Jordan Hall

Wednesday 25

9:30 am Cooperative Extension Meeting,
Lounge, Jordan Hall
7 pm Finger Lakes Stamp Club, Lounge,
Jordan Hall

Friday 27

10 am New York State Fruit and Vegetable
Processing Study Meeting, Lounge,
Jordan Hall

Seminars

NOTICE

The horticultural sciences seminar scheduled for
Monday, February 23 has been cancelled.

NOTE

Request for Issuance of Form IAP-66 Forms are
now available from Charie Hibbard's office.

EAP WORKSHOPS

The following EAP sponsored workshops,
Assertiveness Training and Improving
Communications In The Family, will be the first two
offered in the series. There are a few slots available for
those who would like to attend. If interested, please
call Personnel, X203 or X204.

NEW JOURNAL

TRENDS IN GENETICS - DNA, DIFFERENTIATION
AND DEVELOPMENT - (The Review Journal for
Everyone Interested in Genetics and Development)
V.3, 1, 1987 - Call # 575.1/T71.

FOUND

Gold colored change purse found in the greenhouse.
Call Tom (X293) to claim.

FIRE SAFETY TIPS

Fire can strike fast in a public building.
Be sure you know where the fire exits are.
Remember that an elevator is never a safe fire exit.

Fire-wise advice from Cornell University Life
Safety Services.

THE STATION CALENDAR

FOR THE WEEK OF MARCH 1, 1987 (finally!)

Calendar of Events MARCH

Thursday 5

12 noon-1 pm EAP Assertiveness
Training Program, A-133 Barton
Laboratory

Seminars

HORTICULTURAL SCIENCES

Date: Wednesday, March 4
Time: 11 am
Place: Staff Room, Jordan Hall
Speaker: Dr. Stephen Molnar
Agriculture Canada, Ottawa
Subject: 5-methyl-tryptophan resistant variants
isolated from *Brassica nigra* suspension
cultures

PLANT PATHOLOGY

Date: Wednesday, March 4
Time: 3:45 pm
Place: A-133 Barton Laboratory
Speaker: Paul E. Nelson
(Penn. State University)
Subject: Toxigenic *Fusarium* species: Problems
and prospects

ROGER WAY RECEIVES AWARD

We congratulate Dr. Roger Way, professor emeritus of Horticultural Sciences, for a recent award that he received. This award, A "Special Citation" was presented to him at a recent meeting by the New York State Association of County Agricultural Agents. It was given to Roger for his "outstanding contribution to New York's fruit industry and for the introduction of the 'Empire' apple". This award has particular significance because it normally is not given to someone in the research field. However, Roger's contributions have been so important that an exception has been made in this case.

NEW JOURNAL

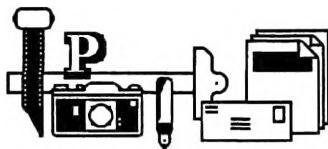

FOOD REVIEW INTERNATIONAL, V.2(1) 1986 - Call # 664.82/F74.

HOUSING NEEDED

Economical housing needed in close proximity to station for a visiting scientist with family. Furnished accommodations are needed for one year starting in April. Contact Al Taylor, X243.

FIRE SAFETY TIPS

If fire destroys your house you'll need to list every item you lost. Get Fire-Wise and prepare a photographic inventory of your entire home. Store them in a safe place.
Fire-wise advice from Cornell University Life Safety Services.

The Publications staff would like to take this opportunity to welcome Mary Ann Anderson to her position as the new Editor and Manager of the Publications Unit.

THE STATION CALENDAR

FOR THE WEEK OF MARCH 8, 1987

Calendar of Events MARCH

Tuesday 10

9:30 am Master Gardeners Program, Staff Room, Jordan Hall
10:30 am CALS Department Chairmen's Meeting, 348 Morrison Hall, Ithaca

Wednesday 11

10 am Radiation Safety Training Course, Staff Room, Jordan Hall
10 am CALS Administrative Managers' Meeting, 401 Warren Hall, Ithaca
7 pm Finger Lakes Stamp Club, Lounge, Jordan Hall

Thursday 12

9:30 am Apple Research Association Meeting, Auditorium, Jordan Hall
12 noon-1 pm EAP Assertiveness Training Program, A-133 Barton Laboratory
1 pm Geneva Administrative Managers' Meeting, Food Science Conference Room, **NOTE NEW LOCATION**

Seminars

HORTICULTURAL SCIENCES

Date: Monday, March 9
Time: 4 pm
Place: Staff Room, Jordan Hall
Speaker: Dr. Marvin P. Pritts
Pomology, Ithaca
Subject: Use of row covers and day neutral cultivars to enhance yield and extend the marketing season of strawberries

**BOWL
87**

STATION CLUB NEWS

Don't wait, sign up NOW for the Station Club Bowling Party on April 11. Let's get the ball rolling!

You will be happy to know that the Station Club New Membership Drive is finally over!! This means that there will be no more silly little messages such as this appearing in the Station Calendar. If you forgot to sign up, you may still do so by contacting John Zakour, X289.

NEW JOURNAL

PROFESSIONAL HORTICULTURE, V.1, 1987
supersedes SCIENTIFIC HORTICULTURE

SPECIAL THANKS

Thank you to all who assisted with the Red Cross Blood Drive; department representatives, farm crew and custodial crew. A very special thank you to the 32 persons who came to donate, your time and efforts were greatly appreciated.

MINITAB FREE UPDATE

Minitab has agreed to continue giving free version 5.1 updates to individuals who purchased Release 82 of Minitab PC Standard Fundamental, and 1-2-3- Interface (Release 2.0) until April 1, 1987.

Please bring your old key disk to Elaine LaRocque in G02 Uris Hall for replacement between the hours of 9 am-noon or 2-4 pm weekdays.

FOR SALE

1976, 4-door Plymouth Volare: 50,000 miles, 4 new tires, new battery, new starter, interior like new. Price negotiable. Call Otis Curtis, 789-3909.

FIRE SAFETY

A home escape plan can make the difference between life and death when fire strikes at night.
Get fire-wise, make yours now.

**Fire-wise advice from Cornell University
Life Safety Services.**

THE STATION CALENDAR

FOR THE WEEK OF MARCH 15, 1987

Calendar of events MARCH

Tuesday 17

ST. PATRICK'S DAY

8 am Freezing Technology Course,
Auditorium, Jordan Hall

Wednesday 18

8 am Freezing Technology Course,
Auditorium, Jordan Hall
Technical Advisory Committee Meeting,
National Clonal Germplasm
Repository, Food Science
Conference Room

Thursday 19

8 am Freezing Technology Course,
Auditorium, Jordan Hall
Technical Advisory Committee Meeting,
National Clonal Germplasm
Repository, Food Science
Conference Room
12 noon-1 pm EAP Assertiveness
Training Program, A-133 Barton
Laboratory

Seminars

HORTICULTURAL SCIENCES

Date: Monday, March 16
Time: 4 pm
Place: Staff Room, Jordan Hall
Speaker: Dr. K. Helen Fisher
HRIO, Ontario Canada
Subject: Fruiting response of 5 grapevine cultivars
to 4 vineyard spacings

PLANT PATHOLOGY

Date: Wednesday, March 18
Time: 3:45 pm
Place: A-133 Barton Laboratory
Speaker: John L. Norelli
Subject: Differential virulence in *Erwinia amylovora*

SEMINAR-FOOD SCIENCE

Date: Thursday, March 19
Time: 11 am
Place: Food Science Conference Room
Speaker: Alicja M. Zobel
Subject: Histological and cytochemical localization
of phenolic compounds in plants

STATION CLUB NEWS

This is the last week to sign up for the bowling
party. Please send sign-up sheets and money to Erin
Kearns, plant pathology by **March 20**.

GEC NEWS

New vending machines are now on campus.
Please note that some are marked **EXACT CHANGE
ONLY** and do not refund change. Also, the Sawdust
Cafe has snack, hot food and soda machines
available. All employees are encouraged to make use
of them.

ATTENTION POTENTIAL SCHOLARS

Monday, March 16 is the first day of classes
and registration for station employees at Hobart and
William Smith Colleges for the spring term. Late
enrollees will be accepted. Check class schedules
posted on bulletin boards for class meeting dates and
times; if missing contact the personnel office, Jordan
Hall. Don't forget to file your Employee Tuition
Assistance forms, also available from our personnel
office.

GEC Education Committee

FOR SALE

1976 Toyota Corolla: automatic, 80,000 miles, AM/FM
cassette, new exhaust system, good engine. Runs
well. \$600 or best offer. Call Bokanga, X276 or 789-
4954.

FOR RENT

Five room apartment in country available immediately.
Appliances included. Plenty of space for gardening,
etc., 5 minutes from Station (Oaks Corners). \$350 plus
utilities. Call Curt, X206 or 781-0273.

HOUSING NEEDED

Economical housing needed in close proximity to
station for a visiting scientist with family. Furnished
accommodations are needed for one year starting in
April. Contact Al Taylor, X243.

FIRE SAFETY

Make your home safe from accidental fire.
Houseclean regularly; reduce or eliminate fire hazards;
use appliances and heaters with care;
buy and install smoke detectors.

Fire-wise advice from Cornell University Life

MEXICO MUSIC AND HISTORY

A brief review of historical periods in Mexican music

- Daniel Teliz -

Visiting Scientist in Plant Pathology

Thursday 26 March

12:00 noon

Jordan Hall

Please respond by March 23. Return this form to Department of Plant Pathology

I will attend this informational session on March 26 _____. Number in attendance _____.

THE STATION CALENDAR

FOR THE WEEK OF MARCH 22, 1987

Calendar of Events MARCH

- Tuesday 24** 9:30 am Master Gardeners Program, Staff Room, Jordan Hall
- Wednesday 25** 12 noon Soviet Awareness Seminar, Staff Room, Jordan Hall
7 pm Finger Lakes Stamp Club, Lounge, Jordan Hall
- Thursday 26** 12 noon Special Presentation on Mexico-Music and History, Staff Room, Jordan Hall
12 noon-1 pm EAP Workshop-- Improving Communications in the Family, Food Science Conference Room

Seminars

HORTICULTURAL SCIENCES

Date: Monday, March 23
Time: 4 pm
Place: Staff Room, Jordan Hall
Speaker: Dr. Terence Robinson
Subject: Orchard production system research for the New York apple industry

STATION CLUB NEWS

There are still a few select openings for bowlers. Don't miss out on a fun night! Sign up **now** with Erin in plant pathology

THE EDUCATION COMMITTEE NEEDS YOU

Share your expertise with others. If you would be willing to teach a short course on some topic of interest, such as work skills, crafts, hobbies, languages, home repair, OR if you have suggestions for courses we might ask people to teach, contact Art Agnello (X341) or Cathy Matteson (X246).

SOVIET AWARENESS WEEK

As part of Soviet Awareness Week, the following events will be held at the Station.

12:30 pm
Tuesday, March 24
A-133 Barton Laboratory
Donald Innes, SUNY, Geneseo will present a slide show on Soviet agriculture.

12:30 pm
Wednesday, March 25
Staff Room, Jordan Hall
A panel discussion on science and agriculture in the USSR with presentations by Drs. Malcolm Bourne, Robert Lamb and Wendell Roelofs.

The staff and general public are invited to attend these events.

New Format for Cornell Business Cards

Cornell University

Department of Government 105 McGraw Hall
Ithaca, NY
14853-4601

Theodore J. Lowi
John L. Senior Professor
of American Institutions

607/256-6205

ORDER YOUR BUSINESS CARDS NOW

The Publications Unit is collecting information for business cards. The new cards, specified by Cornell University, will match the format of the sample above. Card orders received on Monday, March 23 will be returned, according to Media Services, by April 15. We recommend that cards be ordered in large quantities due to the prices set by Media Services (250 = \$42; 500 = \$43; 1,000 = \$44). When your cards arrive, the Publications Unit staff will notify you, or you may request that your cards be delivered through campus mail. You will be billed at the end of the month. Because we have a few urgent requests for cards, please return the following information no later than **Monday afternoon, March 23, 1987.**

Name: _____
Title: _____
Department: _____
Department address: _____
Station telephone number: 315/787-_____
Home telephone number (optional): 315/_____
QUANTITY: _____ **DATE NEEDED:** _____
CHARGE TO: _____
I will pick up my cards: _____ Please send my cards to: _____

GRIN DEMONSTRATION

There will be a demonstration of the GRIN (Germplasm Resources Information Network) database on Tuesday morning, March 31. This is a national database which can readily supply researchers with information concerning the availability status, distribution site and evaluation data for germplasm held at the Plant Introduction Stations and repositories. Watch for further information in next week's calendar or contact Kathy Haverkamp at X244.

PLAN AHEAD

*Lasso and hog-tie July 17, 1987
for the time of your life!!!*

*Save this day so you and your's can be part of
the "Old West". Help "Destiny" ride again!
More to come at "High Noon".*

Attention All Employees!

STATION VENDING MACHINES

White labels have been placed on all Station vending machines that instruct you to phone X301, buildings and properties for refunds or to report a machine that isn't working properly.

Please supply the person who answers with all the following information: your name, location of the machine, amount of money you lost, and your campus address (i.e., dept., room number, and building). Refunds will be made by campus mail during the last week of each month.

If there is a mechanical problem, please describe as accurately as possible.

Also, trash containers are being placed next to all soda-pop machines. As you know, the proceeds from cans go into the Station Club treasury. Please support the Station Club by utilizing these containers.

GEC MEETINGS

The GEC meets on the second Thursday of every month in the Sawdust Cafe. The next meeting is on April 9, 12 noon. All employees are welcome to attend. (You may participate or just watch us with amazement). Please let us know your thoughts on issues of station-wide importance.

WANTED

One GR employee, interested in helping improve the lives of his peers, inquisitive, sensitive, yet omniscient. The GENEVA EMPLOYEE COUNCIL wants you! If you meet any of the above criteria, please sample one of our meetings (second Thursday of every month, Sawdust Cafe), then join us and.....experience great satisfaction!!

CREDIT UNION MEMBERS AND POTENTIAL MEMBERS

Used car sale scheduled for April 25 & 26, East Hill Plaza, Ithaca. Watch for more information to follow.

Membership cards for potential members in the personnel office.

REMINDER

Don't forget the special presentation on Mexico—a brief review of historical periods in Mexican music being presented by Dr. Daniel Teliz on Thursday, March 26 in the Staff Room, Jordan Hall.

FIRE SAFETY

When the fire department puts out a fire it is often because someone failed to prevent it. National authorities estimate that at least half of all fires are preventable.

Learn all you can today about making your home and workplace safe from fire.

Fire-wise advice from Cornell University
Life Safety Services.

THE STATION CALENDAR

FOR THE WEEK OF MARCH 29, 1987

APRIL

Calendar of Events MARCH

- Monday 30**
9 am Pesticide Regulation Update,
Auditorium, Jordan Hall
- Tuesday 31**
8:30 am GRIN Demonstration,
Staff Room, Jordan Hall
4 pm Geneva Department Chairmen's
Meeting, Director's Office
- Wednesday 1**
Seed Research Open House,
Sturtevant Hall
- Thursday 2**
12 noon-1 pm EAP Workshop-- Improving
Communications in the Family,
Food Science Conference Room

Seminars

ENTOMOLOGY

Date: Friday, March 27
Time: 3 pm
Place: Room 310, Barton Laboratory
Speaker: Casey Hoy
Subject: Lepidopteran damage to cabbage:
Simulation modeling for research and
extension

PLANT PATHOLOGY

Date: Wednesday, April 1
Time: 3:45 pm
Place: A-133 Barton Laboratory
Speaker: Dr. Bruce D. L. Fitt
Rothamsted Experiment Station
Harpenden, Herts, UK
Subject: Splash dispersal of fungal spores

FOOD SCIENCE

Date: Thursday, April 2
Time: 11 am
Place: Food Science Conference Room
Speaker: Dr. A. B. M. Moslehuddin
Institute of Nutrition and Food Science
Dhaka University, Bangladesh
Subject: Effect of processing methods on
nutritional quality of *Lathyrus sativus*
seeds

GRIN DEMONSTRATION

There will be a demonstration of the GRIN (Germplasm Resources Information Network) database on Tuesday morning, March 31. It will be held at 8:30 am in the staff room, Jordan Hall. This is a national database which can readily supply researchers with information concerning the availability status, distribution site and evaluation data for germplasm held at the Plant Introduction Station and repositories. All interested researchers are invited to attend, as this database has been developed to assist researchers in locating and evaluating germplasm needs. Also, researchers can readily access this database themselves via microcomputers and modems, since access codes can be obtained by those demonstrating a desire to utilize the system. This is your opportunity to see how the system works and how it can assist you in fulfilling your research needs.

HOUSING AVAILABLE

A furnished three-bedroom house within walking distance of the station will be available April, May and June. For further information contact Janice Valerio (plant pathology), X314.

ATTENTION ALL STATION EMPLOYEES

Effective Immediately
IN THE EVENT OF FIRE

Notify the Geneva Fire Department by dialing 9-789-2121, giving exact information as to the location and, if possible, the type of fire. The Geneva Fire Department will be responding to all fire alarms.

UNITED WAY CAMPAIGN

April 2-17, 1987.

The United Way is a great way to support 12 very worthwhile agencies with one easy pledge. The agencies, which do a great deal in the Geneva area, are:

American Red Cross
Association for Retarded Children
Boy Scouts of America, Finger Lakes Council
Family Counseling Service
Geneva Senior Citizens Club
Girl Scouts of the USA, Seven Lakes Council
Ibero-American League
Mobile Meals
Ontario Day Care
Planned Parenthood of the Finger Lakes
Salvation Army Corps, Geneva Chapter
YMCA, Geneva Branch

This year the Station is being asked to raise \$10,934, and I am sure that we can do it. If everyone raises their pledge by as little as the cost of a cup of coffee per week, it can be done. As in other years, the best way to contribute is by payroll deductions; but if you prefer, you can be billed four times per year or make a single annual payment. Cards on which you can make your pledge will be passed out and collected by your departmental representative. These people are as follows:

Administration	Pat Krauss
IPM	Denise Fernandez
Horticultural Sciences	
Sturtevant	Gary Harman
Horticultural Sciences	
Hedrick	Nathan Peck
Food Science (1st floor)	Herb Cooley
Food Science (2nd floor)	Bea Stoyla
Buildings & Properties and	
Heating Plant	Dave Lasher
Farm Crew and Greenhouse	Alan Soper
Entomology	Art Agnello
Plant Pathology	Roger Pearson

It is important that all of the cards be returned even if no pledge is made. Let us all get behind the United Way again this year to help the Station meet its quota.

Bob Lamb

FOUND

A brooch was found on the lawn near Jordan Hall. To claim, call Sharon, X219.

FIRE SAFETY

Keep your kitchen scald-safe,
turn pot handles inward on the stove and do not let
appliance cords dangle below countertop level.....
the idea is to prevent the child from pulling a vessel full of
hot liquid onto himself.

Fire-wise advice from Cornell University Life
Safety Services.
