

FRIDAY, OCTOBER 4, 2019

Companion Animal Track		Professional Communication Track		Companion Animal Track		Companion Animal Track <i>Sponsored by CareCredit</i>		Companion Animal Track		Companion Animal Track		Equine Track		Production Medicine Track		Veterinarian and Veterinary Technician Track		Extras				
7:00 - 8:00 AM BREAKFAST AND REGISTRATION																						
8:00 - 8:50 am	RECOVER Veterinary CPR Certification - Basic and Advanced Life Support Daniel J. Fletcher, PhD, DVM, DACVECC and Kenichiro Yagi MS, RVT, VTS (ECC, SAIM) <i>FULL</i> 8:30am-3:30 pm <i>SML</i>	Communicate With Strength - Key Words That Undermine Your Effectiveness (Part 1) Karen Purves, MA <i>CL7</i>	Top Ten Behavior Medications for Dogs and Cats Kate Anderson, DVM <i>GR</i>	Oral and Dental Anatomy Nadine Fiani, BVSc, DAVDC <i>LH4</i>	The Microbiome in Health and Disease Holly Ganz, PhD <i>Session supported by AnimalBiome</i> <i>LH5</i>	Course Introduction: Why are Veterinarians Important to the Future of the Honey bee? Rolfe and Robin Radcliffe The Role of Veterinarians in Honey Bee Medicine: A One Health Issue Terry Ryan Kane, DVM, MS <i>LH1</i>	MRSA, ESBLs and other Resistant Pathogens J. Scott Weese, DVM, DVSc, DACVIM <i>LH3</i>		Rehabilitation for the Hospitalized Patient Dawn Hickey, LVMT, CCRP <i>LH2</i>	Silent Auction (8 AM - 7:30 PM) <i>CB</i>												
9:00 - 9:50 am		Communicate With Strength - Key Words That Undermine Your Effectiveness (Part 2) Karen Purves, MA <i>CL7</i>	Evidence-Based Review of Training Methods Kate Anderson, DVM and Jessica Fritschi, LVT, CDBC, CPDT-KA <i>GR</i>	Periodontal disease - Etiopathogenesis Santiago Peralta, DVM, DAVDC <i>LH4</i>	Antimicrobial Resistance and Stewardship in Companion Animals Laura Goodman, PhD and Julie Menard, DVM, DACVECC <i>LH5</i>	Comparison between Vertebrates and Bees Rolfe M. Radcliffe, DVM, DACVS, DACVECC <i>LH1</i>	Laboratory Result Interpretation and Antibiotic Selection J. Scott Weese, DVM, DVSc, DACVIM <i>LH3</i>		Improving Mobility in the Geriatric Patient Dawn Hickey, LVMT, CCRP <i>LH2</i>													
		9:50 - 10:20 AM BREAK WITH EXHIBITORS																				
10:20 - 11:10 am		Communicate With Strength - Key Words That Undermine Your Effectiveness (Part 3) Karen Purves, MA <i>CL7</i>	Creating Cooperative Patients Workshop Kate Anderson, DVM and Jessica Fritschi, LVT, CDBC, CPDT-KA <i>\$80 fee. See Reg. Desk for availability.</i>	Periodontal Treatment and Home Care Nadine Fiani, BVSc, DAVDC <i>LH4</i>	Diagnosis and Treatment of Urinary Tract Infections: 2019 ISCAID Guidelines J. Scott Weese, DVM, DVSc, DACVIM <i>LH5</i>	Honey bee Health: Lessons from the Wild Bees Robin Radcliffe, DVM, DACVZM <i>LH1</i>	Advanced Wound Care: Wound Cleaning and Preparation Dean Hendrickson, DVM, MS, DACVS <i>LH3</i>	Introduction to Small Ruminant Practice Joseph Snyder, DVM <i>WDL</i>	Laser Therapy for the Veterinary Nurse Dawn Hickey, LVMT, CCRP <i>LH2</i>													
11:20 am - 12:10 pm		Communicate With Strength - Key Words That Undermine Your Effectiveness (Part 4) Karen Purves, MA <i>CL7</i>	Limited to 24 participants <i>CSL</i>	Endodontics Santiago Peralta, DVM, DAVDC <i>LH4</i>	Infectious Disease Issues with Imported and Travelling Dogs J. Scott Weese, DVM, DVSc, DACVIM <i>LH5</i>	Varroa Mite Biology: Implications for Bee Health David Peck, PhD <i>LH1</i>	Interactive discussion on Wound Cleaning and Preparation Dean Hendrickson, DVM, MS, DACVS <i>LH3</i>	Beyond Anthelmintics: Parasite Control and Management in Small Ruminants, Part I Joseph Snyder, DVM <i>WDL</i>	Cats and Post-Operative Surgery- How Rehabilitation Can Make Greater Success on Orthopedic and Soft Tissue Cases Lis Conarton, BS, LVT, VTS (Physical Rehabilitation), CCRP, CVPP <i>LH2</i>													
		12:10 - 1:40 PM LUNCH WITH EXHIBITORS SPONSORED BY MIXLAB																	Animal Health Diagnostic Center Lunch <i>CB</i>			
		12:15-1:15 PM Master Class: Antibiotic Case Discussions J. Scott Weese, DVM, DVSc, DACVIM <i>FULL</i> ; lunch included <i>CR</i>																	12:15-1:15 PM Pollinators, Honey Bees, and Native Bees: What's the Buzz? Terry Ryan Kane, DVM, MS <i>FULL</i> ; lunch included <i>HR</i>		SACP Tour Sign up at CB <i>CB</i>	
1:40 - 2:30 pm		Wag More, Bark Less - Reducing Negativity in Your Hospital (Part 1) Karen Purves, MA <i>CL7</i>	House Soiling in Feline Patients Kate Anderson, DVM <i>GR</i>	Common Small Animal Malocclusion Nadine Fiani, BVSc, DAVDC <i>LH4</i>	Evidence-based Dermatophytosis Management in Cat Populations Lena DeTar, DVM, DACVPM <i>LH5</i>	Bee biology: Castes, Healthy Brood and Disease States David Peck, PhD <i>\$125 fee. See Reg. Desk for availability.</i> <i>RD</i>	Advanced Wound Care: Wound Care Dressings: Dressing for Success Dean Hendrickson, DVM, MS, DACVS <i>LH3</i>	Beyond Anthelmintics: Parasite Control and Management in Small Ruminants, Part II Joseph Snyder, DVM <i>WDL</i>	1-2-3 Step Manual Therapy for Post-Operative Patients: Tips and Protocols for Teaching Pet Owner's Hand's On Techniques During Discharge Lis Conarton, BS, LVT, VTS (Physical Rehabilitation), CCRP, CVPP <i>LH2</i>	AHDC Tour Sign up at CB <i>CB</i>		CUHA Tour Sign up at CB <i>CB</i>										
2:40 - 3:30 pm		Wag More, Bark Less - Reducing Negativity in Your Hospital (Part 2) Karen Purves, MA <i>CL7</i>	Age is Not a Disease: Cognitive Dysfunction in Dogs and Cats Kate Anderson, DVM <i>GR</i>	Feline Oral and Dental Diseases Santiago Peralta, DVM, DAVDC <i>LH4</i>	Case-based Approach to Zoonoses J. Scott Weese, DVM, DVSc, DACVIM <i>LH5</i>	Management of Varroa for Veterinarians David Peck, PhD <i>\$125 fee. See Reg. Desk for availability.</i> <i>RD</i>	Interactive Discussion on Advanced Wound Care Dressings Dean Hendrickson, DVM, MS, DACVS <i>LH3</i>	Practices and Medications to Improve Quality of Minor Surgical and Stressful Procedures for Small Ruminants Joseph Snyder, DVM <i>WDL</i>	Myofascial Issues: What's With All the Hype? Learning Simple Techniques to Improve Patient Return after Surgical Recovery from Common Orthopedic Conditions Lis Conarton, BS, LVT, VTS (Physical Rehabilitation), CCRP, CVPP <i>LH2</i>													
		3:30 - 4:00 PM BREAK WITH EXHIBITORS																				
4:00 - 4:50 pm			Gender Matters – Effectively Influencing Men Differently Than Women Karen Purves, MA <i>CL7</i>	How to Treat Anything: Common Sense Approaches to Behavior Problems Kate Anderson, DVM <i>GR</i>	Mandibular Fractures in Small Animals Nadine Fiani, BVSc, DAVDC <i>LH4</i>	Outbreak! An Interactive Learning Experience Lena DeTar, DVM, DACVPM <i>CL6</i>	American and European Foulbrood: Regulatory, Diagnostics and Control Scott McArt, PhD <i>\$125 fee. See Reg. Desk for availability.</i> <i>RD</i>	Regional Limb Perfusion and Punch Skin Grafting Wet Lab Dean Hendrickson, DVM, MS, DACVS and Lauren Luedke, DVM <i>\$125 fee. See Reg. Desk for availability.</i> <i>CSL</i>	Module 25: Using Behavior to Assess Animal Welfare Jill Bullis, VMD, MS <i>In addition to RACE and NYS Ed this session provides credit for APHIS Approved Supplemental Training for accreditation renewal.</i> <i>WDL</i>	Using Exercise Techniques to Identify Imbalances, Compensatory Issues and Myofascial Trigger Point Zones Lead Instructor: Lis Conarton, BS, LVT, VTS (Physical Rehabilitation), CCRP, CVPP and Dawn Hickey, LVMT, CCRP												
5:00 - 5:50 pm				Offering Training Services: It's Good Business Jessica Fritschi, LVT, CDBC, CPDT-KA <i>GR</i>	Small Animal Oral Oncology Santiago Peralta, DVM, DAVDC <i>LH4</i>		Foulbrood Laboratory: AFB/EFB Diagnostics, Therapy and Control Scott McArt, PhD <i>\$125 fee. See Reg. Desk for availability.</i> <i>RD</i>	Regional Limb Perfusion and Punch Skin Grafting Wet Lab (repeat) Dean Hendrickson, DVM, MS, DACVS and Lauren Luedke, DVM <i>\$125 fee. See Reg. Desk for availability.</i> <i>CSL</i>		<i>\$80 fee. See Reg. Desk for availability.</i> <i>CSL</i>	AHDC Tour Sign up at CB <i>CB</i>	CUHA Tour Sign up at CB <i>CB</i>										
6:00 - 8:00 PM WELCOME RECEPTION: TASTE OF THE FINGER LAKES & SILENT AUCTION										Cornell Botanic Gardens Tour (6-7 PM) <i>\$12 fee. See Reg. Desk for availability</i> <i>RD</i>												
										Dinner and Drinks with Monarch (6 PM) <i>CL7</i>												

KEY

- = Approved Credit for Veterinarians Only.
- = Approved Credit for Veterinary Technicians Only.
- = Approved Credit for Veterinarians and Veterinary Technicians.
- = Extras (Not Approved for Credit)

Wondering where to go?

Room assignments can be found under the course title and presenter in each session box.

ROOM ASSIGNMENT KEY:

- LH1* = Murray Lecture Hall
- LH2* = Paddock Lecture Hall
- LH3* = Lecture Hall 3
- LH4* = Lecture Hall 4
- LH5* = Lecture Hall 5
- CL6* = Don DVM '69 and Rita Powell Classroom
- CL7* = Classroom 7
- BL* = Bilinski Lab
- CB* = Cornell Booth
- CR* = Centennial Room
- CSL* = Clinical Skills Lab
- GR* = Green Room
- HR* = Hagan Room
- RD* = Reg. Desk (meet here)
- SML* = Simulation Lab
- WDL* = Wiswall Dry Lab

CORNELL HOSPITAL INITIALS KEY:

- AHDC* = Animal Health Diagnostic Center
- CUHA* = Cornell University Hospital for Animals
- SACP* = Small Animal Community Practice

Need a Break?

Relax and recharge at the Attendee Quiet Lounge (see map).

SATURDAY, OCTOBER 5, 2019
